LOOKING AFTER OUR VENUES

Important points for everyone to remember when using any venue :

- siblings are not to be left without a parent
- No food is to be taken into the venues
- please make sure children **DO NOT** climb on or use any equipment that is in the gym
- it is most important we all abide by these simple rules so Magic can continue to use these great venues.

When entering or exiting training venues from a car park (eg at Ruskin Park and Tinternvale for example) can you please ensure all players, parents and siblings use the footpaths and not walk through the centre of car parks...

This is for the safety of all pedestrians, as it can be difficult to see when reversing in these areas.

We are extremely fortunate to be able to train at all the wonderful school facilities that we do. For the good relationship to remain, and the ability to retain these training facilities there are a few more points to remember:

The last team to train at the facility must turn off lights, turn off heaters, ensure that the facility is locked and alarms set.

Periodically through the training night, please everyone check the bathrooms and ensure the taps are turned off, and there is no water running in the bathrooms or at the drink taps.

Please remember there is a NO food policy in any of these venues—there have been occasions when siblings have brought food with them.

Please ensure that all basketball training shoes are clean, and non marking, and wipe them at the door before entering the facility. The schools do not allow their children to wear everyday shoes in these facilities, and the floors are becoming scratched and marked. If they need to reseal the floor, we would have disruption to our training schedules as well as increased costs for hire, and this would ultimately be passed on to all our playing children.

CODE OF CONDUCT

Players, coaches, parents and officials need to be aware of the behavioural expectations on and off the court. Please take the link to Maroondah Magic web site to read the Code of Conduct for players, coaches, parents and officials.

CODES OF CONDUCT

Some Words of Wisdom

Do not criticise your or others children in front of others. Reserve constructive criticism of your own children for more private moments. Children can be very sensitive and feel strong humiliation if they are criticised in front of their peers. When you do feel the necessity to speak to your child about something that displeases you, make the effort to explain what the problem is and why you are concerned about it. If you can see some way of avoiding the problem in the future, also explain this to the children. Give your children an opportunity to offer you an explanation. You are not communicating with your children effectively if all the communication is one way.

Accept decisions of all referees as being fair and called to the best of their ability. Referees and officials have a difficult task to perform and your children could not play the game without them. They are there to enforce the rules of play but they cannot always be right. It is fair to say most teams make 20-30 mistakes per game with missed shots, missed layups, missed passes, double dribbling and travel. Most referees make 2-3 mistakes per game, yet players, coaches and parents believe it is fair game to criticise them for these few errors. Let's be honest - it is not fair to criticise the referees, a fair portion of who are Maroondah Magic children who take up refereeing to start to make their way in life. Accept bad calls graciously. Abuse of referees is unacceptable behaviour. Players who consistently dispute decisions or do not accept bad decisions are bad sports. If you disagree with a decision, discuss it with your children in a constructive manner.

Set a good example by your own conduct, behaviour and appearance. Children often learn by example. You are the prime role models for them. Make your parenting rewarding and beyond criticism by leading by example. Do not criticise opposing team members or supporters by word or gesture. Accept loss graciously and applaud the efforts of all playing the game.

DO NOT be one of the "ugly" parents occasionally seen at sporting events.

Backpacks:

We have introduced backpacks to our range of merchandise, available at our shop. They are \$40 each, black with our logo, and have space for a ball, drink bottle and a Maroondah Magic hoodie. Great price, great product, get yours quick before they run out!

Scoring:

Just a reminder that when scoring, you are an official of the game and as such, should not yell out/barrack etc when sitting at the score bench. Please also abide by the 'Code of Conduct' set out by Basketball Victoria regarding officials of the game. Thank you to every parent that steps up at their Child's game and scores for Maroondah Magic. Please remember that if you have a child away DO NOT tick their name on the computer screen. This is particularly important if the child is injured and has a Doctors Certificate, you will be forfeiting the importance of the Doctors Certificate if the child is deemed to be playing. This is also particularly important for those Teams that have Rep players absent, and can earn Penalty Points if the player is deemed to be playing.

ASSISTANCE REQUIRED

Our club has a number of regular events where we could really use some additional help. Uniform sale day (held twice a year just before the beginning of each season), Presentation Day (twice a year, early in the season), Grand Final day (we need volunteers who are experienced scorers and would be willing to score for other Magic teams) and Come and Try Sessions (held on Friday evenings late in each season to recruit new players for the next season).

Our hard working committee devote a lot of time to make these events happen but as our club grows we would love to have some more help. If you could give up a few hours please email your details to Sue McGrath (Club Secretary) suemcg@tpg.com.au and Sue will keep a list of people we can call on to help out at these events.

This list is for those people happy to help on an irregular basis. Let us know!

Medical Certificates:

We have been advised of the current rules for receiving credits for games missed due to injury, to assist with qualifying for finals. We are aware that there a number of players who are injured at present and may need a medical certificate to receive those credits.

1. For players currently injured, who will not play in the initial rounds of the upcoming season, it is critical that you forward an up to date medical certificate (you should visit your medical practitioner again to get this). This medical certificate must be forwarded within 14 days of diagnosis to receive credit for games starting from Round 1.
2. If you are injured during the season, you must forward a medical certificate within fourteen days of the visiting a medical practitioner. Only games following the date of the visit will be credited to an injured player, so it is in your interests to visit a medical practitioner as close as possible to the date of the injury.

Medical Certificates should be forwarded to either
Peter Cunningham (peter@pcunningham.com.au) or;
Sue McGrath (suemg@ tpg.com.au).

We have a number of Under 9 and 10 boys teams, as well as a couple of girls Miniball teams, that only have seven players this season and with the long Winter period, we would prefer eight players per team - if you would like a second game or know someone who would like to join a team, please contact Peter Cunningham on 0400 577476 (boys) or Megan Deayton on 0413 303746 (girls miniball)

SPONSORS!

In September last year we advised our Maroondah Magic families that we were launching a Sponsorship Program.

Maroondah Magic are always looking for ways we can contribute back to our players and coaches. By obtaining sponsorship we see opportunities to invest back into our club and enhance the basketball experience for all involved.

Our aim is to invest sponsorship contributions towards items such as player clinics, coach's clinics, player rewards, enhanced member benefits and much more.

After advising our Magic Families we then, in November, we went out to the broader community to promote our Sponsorship opportunities. Since then we are excited to have our first cohort of sponsors on-board for 2017.
