

MAROONDAH MAGIC BASKETBALL CLUB

Congratulations to everyone so far, and good luck for the remainder of the season.

GO MAGIC!

A quick reminder to all our players, coaches, team managers and parents, all subs and time outs must go through the score bench, and not directly to a ref.

If you are scoring and unsure when to hit the buzzer:

Subs

A substitution opportunity begins:

For both teams, when the ball becomes dead - when a ref blows their whistle,

For both teams, when the ball becomes dead following a successful last or only free throw,

For the non-scoring team, a field goal is scored when the game clock shows 2:00 minutes or less in the second half and in each extra period.

Time-Outs

A time-out opportunity begins:

For both teams, when the ball becomes dead - when a ref blows their whistle,

For both teams, when the ball becomes dead following a successful last or only free throw,

For the non-scoring team, a field goal is scored.

Healthy Tip

Avoid dairy products high in fat. Low fat yogurt would be fine.

Adequate fluid intake is important before and during the game to avoid dehydration... but again, too much is not good medicine. In addition to water, sport drinks or fruit juices are good choices.

If your practices or games are late in the afternoon, right after school, make sure you eat breakfast and lunch that day. Some fruit like bananas or oranges one hour before the practice or game would be a good booster.

TIPS FOR ADULTS AT KIDS SPORT

1. **Keep it fun**
don't take it
too seriously

It's not the world titles

6. Let **coaches**
do the
coaching

2. **Be enthusiastic**

but don't *scream*
& *shout* instructions
from the sideline

7. *Always remember,*
volunteers
run kids sport

3. Emphasise
trying hard
not winning

8. *Understand, uphold*
and *support* your club's
code of
conduct

4. **Cheer &**
acknowledge
good plays by
all players

9. Allow your child to
play for
themselves

Let kids make the decisions
on and off the field

5. **Accept decisions**
by officials

they are human &
can make mistakes

10. **Think before**
you speak

Your words may
harm others

LOOKING AFTER OUR VENUES

Important points for everyone to remember when using any venue :

- siblings are not to be left without a parent
- No food is to be taken into the venues
- please make sure children **DO NOT** climb on or use any equipment that is in the gym
- it is most important we all abide by these simple rules so Magic can continue to use these great venues.

We are extremely fortunate to be able to train at all the wonderful school facilities that we do. For the good relationship to remain, and the ability to retain these training facilities there are a few more points to remember:

The last team to train at the facility must turn off lights, turn off heaters, ensure that the facility is locked and alarms set.

Periodically through the training night, please everyone check the bathrooms and ensure the taps are turned off, and there is no water running in the bathrooms or at the drink taps.

Please remember there is a NO food policy in any of these venues—there have been occasions when siblings have brought food with them.

Please ensure that all basketball training shoes are clean, and non marking, and wipe them at the door before entering the facility. The schools do not allow their children to wear everyday shoes in these facilities, and the floors are becoming scratched and marked. If they need to reseal the floor, we would have disruption to our training schedules as well as increased costs for hire, and this would ultimately be passed on to all our playing children.

CODE OF CONDUCT

Players and parents need to be aware of their expectations on and off the court. Please take the link to Maroon-dah Magic web site to read the Code of Conduct for both players and parents.

Referees Points of Emphasis :

o Each season, points of emphasis for referees are agreed to at Basketball Australia (NBL/WNBL) level. The intention of these emphasis points is for them to filter through the leagues to junior domestic level. Below is a summary of the basic areas that referees will be tightening up on (from Basketball Victoria web page). Links to videos regarding these are : <http://youtu.be/cn9LEWd9jBg> and <https://www.youtube.com/watch?v=uV9UixWVMgE>

Overall the directions for the season will focus on the following 7 basic areas:

1. Protecting the Ball Carrier
2. Protecting the Shooter
3. Charge / Block
4. Off Ball Contact / Screening
5. Unsportsmanlike Fouls
6. Travels
7. Player / Coach Behaviour

ASSISTANCE REQUIRED

Our club has a number of regular events where we could really use some additional help. Uniform sale day (held twice a year just before the beginning of each season), Presentation Day (twice a year, early in the season), Grand Final day (we need volunteers who are experienced scorers and would be willing to score for other Magic teams) and Come and Try Sessions (held on Friday evenings late in each season to recruit new players for the next season).

Our hard working committee devote a lot of time to make these events happen but as our club grows we would love to have some more help. If you could give up a few hours please email your details to our secretary (details available on previous page) and we will keep a list of people we can call on to help out at these events.

This list is for those people happy to help on an irregular basis. Let us know!
